

Culture Wise America: Exploring the Cultural Heritage of the United States

Culture Wise America is a comprehensive guide to the cultural heritage of the United States. The book explores the diverse cultural influences that have shaped the American identity, from the Native American tribes to the European settlers to the immigrants who have come from all over the world.

The book is divided into four parts:

- **Part I: The Native American Heritage**
- **Part II: The European Heritage**
- **Part III: The Immigrant Heritage**
- **Part IV: The American Identity**

Each part explores the history, culture, and traditions of the different groups that have contributed to the American cultural heritage. The book also includes a glossary of terms and a bibliography for further reading.
