The Book

Death in the Afternoon is divided into three parts. The first part provides a history of bullfighting, from its origins in ancient Crete to its modern incarnation in Spain. The second part describes the different aspects of bullfighting, including the roles of the bullfighter, the bull, and the audience. The third part is a personal account of Hemingway's own experiences with bullfighting.

Hemingway's writing is clear and concise, and he has a gift for capturing the excitement and danger of bullfighting. He also has a deep understanding of the tradition, and he is able to explain its appeal to both participants and spectators.

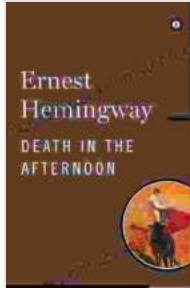

Legacy

Death in the Afternoon has had a profound impact on the world of bullfighting. It has helped to increase interest in the tradition, and it has also helped to change the way that bullfighting is perceived. Hemingway's book is a classic work of literature, and it is still read and enjoyed by people all over the world.
