Anya and her family are forced to flee their home and seek refuge in a hidden underground bunker. However, the Draxon are relentless and they soon track down Anya and her family. Anya's parents are killed in the attack and she is captured by the Draxon.

Anya is taken to a Draxon prison camp where she is subjected to torture and interrogation. However, Anya refuses to give up hope. She knows that she must find a way to escape and return to Atheria to save her people.

One day, Anya is assigned to work in the Draxon's weapons factory. While working in the factory, Anya discovers a prototype mecha suit. The mecha suit is a powerful weapon that could potentially be used to defeat the Draxon.

Anya hatches a plan to escape the prison camp and steal the mecha suit. With the help of a fellow prisoner, Anya manages to escape from the prison camp and make her way back to Atheria.

Once on Atheria, Anya reunites with her friends and family. Together, they form a resistance movement and begin to fight back against the Draxon. Anya uses the mecha suit to lead the resistance and launch a series of attacks against the Draxon forces.
