The classy curly bob with bangs can be styled in a variety of ways. For a sleek and polished look, blow dry the hair straight with a round brush. For a more casual and undone look, allow the hair to dry naturally and use a diffuser to enhance the curls.

The layered inverted bob is a modern and edgy hairstyle that combines the classic bob with choppy layers and an angled silhouette. When paired with bangs, this hairstyle creates a striking and voluminous look that is sure to turn heads.

This hairstyle is ideal for women with straight or slightly wavy hair. The layers add texture and movement, while the bangs help to balance the face and create a flattering frame around the eyes. To achieve this style, ask your stylist for a bob that is shorter in the back and longer in the front, with choppy layers throughout. The bangs should be long and side-swept, falling just below the eyebrows.

The layered inverted bob can be styled in a variety of ways. For a sleek and sophisticated look, blow dry the hair straight with a paddle brush. For a more relaxed and beachy look, allow the hair to dry naturally and use a sea salt spray to enhance the waves.

When choosing the right wavy bob with bangs, there are a few factors to consider, including your face shape, hair texture, and personal style.

**Face shape:**

- **Oval:** Oval faces can accommodate most types of bobs with bangs, including both curly and layered styles.
- **Round:** Round faces look best with bobs that have longer, side-swept bangs to help elongate the face.
- **Square:** Square faces look best with bobs that have softer, curled bangs to help soften the angles of the face.
- **Heart:** Heart-shaped faces look best with bobs that have long, layered bangs to help widen the forehead and balance the narrow chin.

### **Hair texture:**

- **Curly:** Curly hair is well-suited for bobs with bangs, as the curls add volume and texture to the hairstyle.
- **Wavy:** Wavy hair is also well-suited for bobs with bangs, as the waves add movement and interest to the hairstyle.
- **Straight:** Straight hair can be styled with bobs with bangs, but it may require some additional styling products to add volume and texture.

### **Personal style:**

Ultimately, the best wavy bob with bangs for you is the one that complements your personal style and preferences. If you prefer a sleek and sophisticated look, opt for a classy curly bob with bangs. If you prefer a more edgy and modern look, opt for a layered inverted bob.

Wavy bob hairstyles with bangs are a chic and versatile choice for women of all ages and face shapes. Whether you prefer a classy curly bob with

bangs or a layered inverted bob, there is a style that will perfectly complement your look. By considering your face shape, hair texture, and personal style, you can choose the right wavy bob with bangs that will enhance your features and make you feel confident and beautiful.
